Hi Patti,

Thank you for your email while on a long weekend! I appreciate it -- lots of bdcg email traffic today.

I don't think agreeing on purpose and need has to happen next week, but starting the process while getting mou signed is what (I think) mgrs are looking for next week.

Enjoy your days off :)!

Hi Erin,
I'm gone for a long weekend but wanted you to know that I have prepared a draft P+N Statement that Reclamation folks are currently reviewing. If I understand your message, the request is to get agreement on it next week, along with signing the NEPA/CWA MOU? If so we'll need to move forward quickly.
